

Fact is, Walter White couldn't have done it without me  
I kept Walter White out of jail  
I laundered his money  
I lied for him  
I conspired with him  
And I made millions  
If he hadn't walked into my office that day  
Walter White would be dead  
Or behind bars within a month  
Your honor, in view of the defendant's confession (we'd like to request a recess)  
The government withdraws its sentencing recommendation (hold on)  
and urges this court  
His name is Huell Babineaux  
He's on our witness list  
You bumped into him on the stairway  
He'll testify he planted this fully charged battery on you  
Over an hour and a half ago (an hour and 43 minutes)  
And you felt nothing  
No no, no no it's a trick it has to be  
Enough is enough  
I submit that Mr. McGill's mental illness is a non-issue  
He'll never change  
Ever since he was 9  
Always the same  
But not our Jimmy  
Couldn't be precious Jimmy  
What a sick joke  
The name's McGill  
I'm James McGill  
You have no idea what's going on  
You're a teensy tiny man in a teensy-weensy little bubble  
You can't conceive of what I'm capable of  
I'm so far beyond you  
I'm like a god in human clothing
